

Evaluating Sources:
Twitter Mini "Research" Assignment

Publication: _____ Date: _____ Author: _____

Title: _____

What is the article basic premise or argument? Put it in your own words. **Note to self:** *Often this is contained in the first/last paragraph.*

Argument: _____

What are the most important elements of the story? Why?

Element <i>Style, Evidence, Organization, Voice, etc.</i>	Importance <i>Be specific. Explain the impact.</i>

Evaluate the article itself. Choose two **categories** for the article's pros and cons.

<i>Pros</i> <i>Specifically, what does the article do well? What makes the author so successful in this area?</i>	<i>Cons</i> <i>What seems to be lacking? How does this impact the author's argument?</i>

As a result of reading this article what do you now need to research more in order to build a larger understanding of this topic? Be specific and explain your reasoning.
